SECTION B SERVICE RULES AND REGULATIONS

BILLINGS:

Bills shall be rendered monthly. Meters will be read on the first day of each month. Bills will be issued on the 10th day of each month and the bills are due on the 25th day of each month. If a bill falls due on a weekend or holiday the due date shall be the next working day after the due date. When a bill is not paid within 15 days from the date of issuance the customers service may be discontinued by giving the customer a Notice of Termination at least 7 days notice after the original due of the planned discontinuance of service. A customer will have at least 22 days after the bill is issued to pay his bill before service may be terminated.

SERVICE REFUSAL:

No one will be refused water service except under the following conditions:

(1) Failure of applicant to comply with state and municipal regulations and approved rules and regulations of Cypress Valley Water System on file with Commission governing the service applied for; or

(2) The applicant's installation or equipment is known to be hazardous or of such character that satisfactory service can not be given; or

(3) The applicant is indebted to any other utility for the same kind of service as that applied for; provided however, that in the event the indebtedness is in dispute, the applicant shall be served upon compliance with the commission deposit rules; or

(4) Refusal of applicant to make a deposit if required under Commission rules; or

(5) Failure of applicant to pay \$35.00 reconnection fee after service has been discontinued under service discontinuance rules.

SECTION B SERVICE RULES AND REGULATIONS

SERVICE DISCONTINUANCE RULES:

Water service may be discontinued, after proper notice for any of the following reasons:

(1) Failure to pay a delinquent account for utility service or failure to comply with the terms of a deferred payment agreement, provided the customer has been given at least 15 days to remit payment;

(2) Violation of the utilities rules pertaining to service in a manner which interferes with the service of others or the operation of nonstandard equipment, if a reasonable attempt has been made to notify the customer and the customer is provided with a reasonable opportunity to remedy the situation;

(3) Failure to comply with deposit or guarantee arrangements;

(4) Without notice where a known dangerous condition exists for as long as the condition exists; and

(5) Tampering with the utility company's meter or equipment or by passing the same.

Before it may terminate service, the utility must notify the customer of the impending termination of service by separately mailing or hand delivering to the customer a termination notice at least 7 days prior to the stated date of disconnection. Words of warning such as "Termination Notice" will be prominently displayed. The notice will be written in both English and Spanish to insure the customer will be informed of the planned discontinuance. The date that service is to be terminated may not fall on a weekend or holiday if the termination notice is mailed. In such case, the date of termination will fall on the next working day after the 7th day.
