July 20, 1978

To all Steele Creek Water System Customers:

After much thought and study I am forced to advise you it is necessary to increase our water rates.

The new rates will be:

First 3,000 gallons.....	\$ 10.00 (minimum)
Each additional 1,000 gallons.....	\$.90

The new rates will become effective September 1, 1978.

This has been a difficult decision to make; however, one that had to be made, due to ever increasing costs of supplies, equipment, utilities, etc. New equipment purchased during 1976 and 1977 was in excess of ~~F~~ \$ 6,700.00.

Thanks to each and everyone----I know you will understand.

Sincerely,

Mom Sample
