SECTION B SERVICE RULES AND REGULATIONS

Billing

All bills for water customers are delivered on the 1st of each month. The number of gallons shown on the current meter reading and the total number of gallons used is shown on the bill. The bills are due and payable on the 1st of the month and are delinquent after the 15th of the month.

Service Refusal

Any applicant for water in the Forestlake Estates Subdivision and service area may request water service. Upon making satisfactory arrangements for a deposit, payment of a \$40 meter charge, and no existing water utility debt is owed to Forestlake Estates of Longview, Inc. water service will be given.

Service Discontinuance

A customer may be disconnected after a five day written personal notice for a bill, delinquent more than 20 days after issuance.

If the water is disconnected, the utility department can disconnect only on a date that will allow the next day to be a working day, so the customer can pay their delinquent water bill and a \$25 re-connect charge.

Meters

Each customer is provided a meter, to measure the amount of water consumed. Upon request a customer may have his meter tested, without charge, in his presence during normal working hours.

Applicant Deposits

A deposit is required of all customers of the Forestlake Estates of Longview, Inc. water system upon the connection of the water system. If the customer furnishes satisfactory credit ratings, or a satisfactory guarantee for payment of any delinquent water bills they accrue, the deposit may be returned to the customer.

Forestlake Estates of Longview, Inc. keeps a record of each deposit and will issue a receipt and pay 6% annual interest thereon. The deposit will be refunded upon disconnection or a customer moving off of the water system, provided the bill is paid current and there are no unpaid water service bills due Forestlake Estates of Longview, Inc.
