RE: Original filing  
Tariff File W-2-9

Gentlemen:

The Public Utility Commission of Texas has received the tariff which you have filed.

A review of your tariff has been made and it is not in compliance with the Substantive Rules of the Commission. You are hereby notified that at such time as your company comes before the Commission for a hearing, the necessary amendments for compliance will be required and approval of your tariff will then be granted.

Thank you for furnishing this office a copy of your tariff.

Sincerely,

A handwritten signature in cursive script that reads "Marilyn B. Slaughter".

Service Rules are incomplete, however we hope we can assume that you bill customers on the 25th, thus allowing a fifteen day (15) billing schedule. We do not have your disconnection policy, but other than that your policy appears to be most generous to your customers.

Please advise us of any water rationing policy you plan to implement, providing dates and schedules, as well as a copy of the notice to your customers.
