ORDER SIGNED

08/04/2011

Attached, please find:

- A. A tariff for a utility reflecting the results of a rate case approved by the Commission (contested).
- B. A tariff for a utility reflecting rates effective by Operation of Law i.e. no protests received nor hearing requested (uncontested).
- C. A tariff for a utility with minor tariff changes allowed under TCEQ Rule 291.21(b)(2).
- D. A utility tariff submitted in a CCN application.
- E. A tariff for a utility submitted in a report of sale transfer merger application.
- F. Other:
- G. Comments regarding any of the above or any related tariff on file: Please OBSOLETE the entire tariff for River Run Water System. The CCN was cancelled and the area and facilities were purchased by Clayton H. Trent dba Trent Water Works.

I have reviewed the above tariff and I recommend it be stamped APPROVED. Date of tariff approval: May 20, 2011
