TRANSFER EXISTING FACILITIES	§	
AND LOAD INTO THE ELECTRIC	§	
RELIABILITY COUNCIL OF TEXAS	§	

**ORDER NO. 5
CLOSING THIS PROJECT**

In Order No. 4 filed on May 12, 2022, the administrative law judge (ALJ) directed Commission Staff to, by May 31, 2022, file a draft Proposed Order or suggest an alternate method for resolving this project. Interested persons were given until June 7, 2022, to suggest revisions to the draft Proposed Order filed by Commission Staff or to comment upon the alternate suggestion made by Commission Staff.

In a pleading filed on May 31, 2022, Commission Staff suggested that there is no need for further action in this project and it may be administratively closed. The only interested person to file comments was the City of Lubbock, which agrees with Commission Staff.

This ALJ agrees with the comments of Commission Staff and Lubbock. Accordingly, this project is hereby closed.

Signed at Austin, Texas the 9th day of June 2022.

PUBLIC UTILITY COMMISSION OF TEXAS
