To protect our clients and workers Zip Delivery instituted changes in how we obtain pickup and/or Delivery Signatures in 2020 & 2021. During the Covid-19 epidemic and lasting at thru 2021, Zip Delivery drivers and clients will have the No-Contact (N/C) option on all deliveries for signatures. In the event this option is chosen the driver will obtain the pickup/delivery persons full name when available. At the very least we will enter the first initial followed by the last name of those individuals. Please contact Zip Delivery should you have any questions.
