COMMISSION STAFF'S MOTION TO ADMIT SUPPLEMENTAL EVIDENCE

Inadvertently, the Staff of the Public Utility Commission of Texas (Commission) did not offer for consideration as evidence its second amended petition to revoke Lodge Acres Water System's certificate of convenience and necessity. In order to provide a more complete record, Commission Staff now moves to admit its second amended petition filed on June 30, 2022 (Interchange Item No. 13) into the record of this proceeding as supplemental evidence.

Should the administrative law judge grant this motion, Commission Staff respectfully requests the ALJ revise the proposed order to add a new finding of fact reflecting the entry of the supplemental evidence into the record.

Dated: October 10, 2022

Respectfully submitted,

**PUBLIC UTILITY COMMISSION OF TEXAS
