**ORDER NO. 2  
FINDING APPLICATION INCOMPLETE AND DEFICIENT  
AND ESTABLISHING AN OPPORTUNITY TO CURE**

This Order addresses the sufficiency of the February 18, 2022 application of Mauka Water LP and James A. Dyche dba Crest Water Company for the sale, transfer, or merger of facilities and certificate rights in Johnson County.

On March 18, 2022, Commission Staff filed a recommendation on administrative completeness.

The administrative law judge (ALJ) finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before April 18, 2022, the applicants must supplement the application to cure the deficiencies as described in the March 18, 2022 memorandum of James Harville. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

On or before May 18, 2022, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 21st day of March 2022.
