**COMMISSION STAFF'S SUPPLEMENTAL RECOMMENDATION ON
ADMINISTRATIVE COMPLETENESS AND NOTICE AND PROPOSED
PROCEDURAL SCHEDULE**

On March 2, 2022, SJWTX, Inc. dba Canyon Lake Water Service Company (SJWTX) filed an application to amend its water certificate of convenience and necessity (CCN) No. 10692 in Blanco County. The requested service area consists of approximately 337 acres and 40 proposed connections. SJWTX filed supplemental information on April 18, 2022.

On April 11, 2022, the administrative law judge (ALJ) filed Order No. 2, establishing a deadline of June 4, 2022, for the Staff (Staff) of the Public Utility Commission of Texas (Commission) to file a supplemental recommendation regarding the administrative completeness of the application and notice, along with a proposed procedural schedule, if appropriate. Therefore, this pleading is timely filed.

I. ADMINISTRATIVE COMPLETENESS

Staff has reviewed the application and supplemental information and, as detailed in the attached memoranda from Patricia Garcia, Infrastructure Division, and from Kathryn Eiland and Fred Bednarski III, Rate Regulation Division, recommends that the application is administratively complete. Staff's recommendation on administrative completeness is not a comment on the merits of the application.

II. NOTICE

At this time, Staff recommends that SJWTX proceed with providing public notice to all landowners, neighboring utilities, political subdivisions, and other persons listed in the attached memorandum using the notice form provided by Ms. Garcia. Along with each individual notice, Staff recommends that SJWTX provide an accurate map delineating the requested service area. Staff further recommends that SJWTX publish notice of the application for two consecutive weeks in a newspaper of general circulation in Blanco County. Once notice has been provided,

Staff recommends that SJWTX file proof of notice as described in the attached memorandum, including an affidavit specifying the name and address of every person and entity to whom notice was provided, the date that the notice was provided, and a copy of the map provided with the notice. SJWTX should also provide a completed publisher's affidavit and a copy of the newspaper tear sheets demonstrating publication. Finally, Staff recommends that SJWTX use the attached notices and affidavits to meet these requirements.

III. PROCEDURAL SCHEDULE

Staff recommends the application be found administratively complete. Staff therefore proposes the following procedural schedule:

| Event | Date |
|---|--------------------------------|
| Deadline for SJWTX to file with the Commission signed affidavits that the notice was given along with a copy of the notice and map sent to the affected parties and published in a newspaper of general circulation | July 18, 2022 |
| Deadline for Staff to file a recommendation on sufficiency of notice | July 28, 2022 |
| Deadline to intervene | 30 days after notice is issued |

IV. CONCLUSION

For the reasons detailed above, Staff recommends that the application be found administratively complete, that SJWTX be directed to provide notice as described in Ms. Garcia's attached memorandum, and that the proposed procedural schedule be adopted. Staff respectfully requests the entry of an order consistent with these recommendations.

Dated: June 6, 2022
