**ORDER NO. 4  
REQUIRING CLARIFICATIONS**

This Order addresses March 24 and May 4, 2022 filings by LGI Homes in the above-styled and numbered petition. Specifically, the filings were simply maps without an accompanying cover letter to indicate what the maps represent or if they are intended to be supplements to the application, and if so, to which version of the application.

By June 15, 2022, LGI Homes must file clarifications regarding, with specificity, what the March 24 and May 4 filings represent accompanied by a cover letter signed by the petitioner.

**Signed at Austin, Texas the 8th day of June 2022.**
