JOINT MOTION TO ADMIT EVIDENCE
AND PROPOSED ORDER APPROVING THE SALE AND TRANSFER TO PROCEED

COME NOW CSWR-Texas Utility Operating Company, LLC (“CSWR Texas”) and Jusryn Company, Inc. dba Shady Grove Sewer System (“Shady Grove”) together with the Staff (“Staff”) of the Public Utility Commission of Texas (“Commission”) (collectively, “the Parties”), and file this Joint Motion to Admit Evidence and Proposed Order Approving the Sale and Transfer to Proceed. In support thereof, the Parties show the following:

I. BACKGROUND

On March 9, 2022 CSWR Texas and Shady Grove (collectively, the “Applicants”) filed an Application (“Application”) with the Commission for approval of the sale, transfer, or merger of facilities and certificate rights in Hood County. The Applicants seek the sale and transfer of all facilities and service area held under Shady Grove’s sewer Certificate of Convenience and Necessity (“CCN”) No. 20767 to CSWR Texas, the cancellation of Shady Grove’s sewer CCN No. 20767, and the amendment of CSWR Texas’s sewer CCN No. 21120 to include the area previously included in Shady Grove’s sewer CCN No. 20767. The requested area comprises approximately 17 acres and 10 connections.

Pursuant to Order No. 4, filed on June 22, 2022, the Parties timely file this Joint Motion to Admit Evidence and Proposed Order Approving the Sale and Transfer to Proceed.

II. JOINT MOTION TO ADMIT EVIDENCE

The Parties move to admit the following items into the record evidence of this proceeding:

1. the application for the sale, transfer, or merger, including all confidential attachments, filed on March 9, 2022 (Interchange Item Nos. 1 through 5);
2. CSWR Texas’s first supplement to the application, including highly sensitive attachment, filed on March 28, 2022 (Interchange Item Nos. 7 and 8);

3. CSWR Texas's second supplement to the application, filed on March 31, 2022 (Interchange Item No. 9);
4. CSWR Texas's third supplement to the application, including confidential and highly sensitive attachments, filed on April 19, 2022 (Interchange Item Nos. 12 through 14)
5. CSWR Texas's proof of notice including affidavit of notice to current customers, neighboring utilities, and affected parties, including confidential Exhibit B, filed on May 4, 2022 (Interchange Item Nos. 15 and 16);
6. CSWR Texas's fourth supplement to the application, including highly sensitive attachment, filed on May 9, 2022 (Interchange Item Nos. 17 and 18);
7. Commission Staff's recommendation on sufficiency of notice, filed on May 23, 2022 (Interchange Item No. 19);
8. CSWR Texas's fifth supplement to the application, filed on June 14, 2022 (Interchange Item No. 22);
9. CSWR Texas's sixth supplement to the application, filed on June 20, 2022 (Interchange Item No. 23);
10. CSWR Texas's response to Commission Staff's first request for information, filed on July 7, 2022 (Interchange Item No. 27); and
11. Commission Staff's recommendation on approval of the transaction, including confidential attachments, filed on July 22, 2022. (Interchange Item Nos. 28 and 29).

III. COMMISSION STAFF'S CUMULATIVE RECOMMENDATION

As demonstrated in its recommendation in this proceeding, Commission Staff has performed a cumulative review to assess CSWR Texas's technical and managerial capability to provide service to the requested areas and customers affected in all prior CSWR Texas's STM dockets in which Commission Staff has recommended the transaction to proceed, and it has determined that CSWR Texas has demonstrated its ability to provide continuous and adequate service to each of the requested areas, both individually and as a whole. In addition, Commission

Staff determined that CSWR Texas has the financial ability to pay for facilities necessary to provide service in each of the requested areas, both individually and as a whole.

IV. AGREED PROPOSED ORDER APPROVING THE SALE AND TRANSFER TO PROCEED

The Parties move for adoption of the attached Proposed Order Approving the Sale and Transfer to Proceed.

V. CONCLUSION

The Parties respectfully request that the Commission grant the Joint Motion to Admit Evidence and adopt the attached Proposed Order Approving the Sale and Transfer for Proceed.

Respectfully submitted,

PROPOSED ORDER APPROVING SALE AND TRANSFER TO PROCEED

This Order addresses the application of Jusryn Company, Inc. dba Shady Grove Sewer System (Shady Grove) and CSWR-Texas Utility Operating Company, LLC (CSWR Texas) for the sale, transfer, or merger of facilities in Hood County. CSWR Texas seek the sale and transfer of all facilities and service area held under Shady Grove's sewer certificate of convenience and necessity (CCN) number 20767 to CSWR Texas, the cancellation of Shady Grove's sewer CCN number 20767, the amendment of CSWR Texas's sewer CCN number 21120 to include the area previously included in Shady Grove's sewer CCN number 20767. The administrative law judge (ALJ) grants that the sale is approved and the transaction between the applicants may proceed and be consummated.

I. Findings of Fact

The Commission makes the following findings of fact:

Applicants

1. CSWR Texas is a Texas limited liability company registered with the Texas secretary of state under file number 0803367893.
2. CSWR Texas is an investor-owned utility that operates, maintains, and controls facilities for providing sewer service in Bexar, Hidalgo, Hood, Navarro, and Parker under CCN number 21120.
3. Shady Grove is an investor-owned utility that operates, maintains, and controls facilities for providing sewer service in Hood County, Texas under CCN number 20767.
4. Shady Grove's sewer system is registered with Hood County, Texas.

Application

5. On March 9, 2022, CSWR Texas and Shady Grove (collectively, Applicants) filed an application for sale, transfer, or merger (STM) of facilities and certificate rights in Hood

County, Texas, under Texas Water Code (TWC) § 13.301 and 16 Texas Administrative Code (TAC) § 24.239.

6. CSWR Texas, sewer CCN No. 21120, seeks approval to acquire facilities and to transfer all of the sewer service area from Shady Grove under sewer CCN No. 20767. The requested area includes 10 customer connections and approximately 17 acres of transferred area from CCN No. 20767 to CCN No. 21120.
7. The application proposes the subtraction of approximately 17 acres from CCN No. 20767 and the addition of approximately 17 acres to CCN No. 21120.
8. The requested area is located approximately 2.8 miles east of downtown Granbury, Texas, and is generally bounded on the north by Betty Court; on the east by Cleveland Road; on the south by Acton Highway; and on the west by Davis Road.
9. In Order No. 2 filed on April 14, 2022, the administrative law judge (ALJ) found the application administratively complete.

Notice

10. On May 4, 2022, CSWR Texas filed the affidavit of Aaron Silas, regulatory case manager for CSWR Texas, attesting that notice was provided to current customers, neighboring utilities, and affected parties on April 26, 2022.
11. In Order No. 3 filed on May 25, 2022, the ALJ found notice to be sufficient.

Evidentiary Record

12. On August 4, 2022, the parties filed a joint motion to admit evidence.
13. In Order No. ____ filed on _____, the ALJ admitted the following evidence into the record: (a) the application for the sale, transfer, or merger, including all confidential attachments, filed on March 9, 2022; (b) CSWR Texas's first supplement to the application, including highly sensitive attachment, filed on March 28, 2022; (c) CSWR Texas's second supplement to the application, filed on March 31, 2022; (d) CSWR Texas's third supplement to the application, including confidential and highly sensitive attachments, filed on April 19, 2022; (e) CSWR Texas's proof of notice including affidavit of notice to current customers, neighboring utilities, and affected parties, including confidential Exhibit B, filed on May 4, 2022; (f) CSWR Texas's fourth supplement to the application, including highly sensitive attachment, filed on May 9, 2022; (g) Commission Staff's recommendation on sufficiency of notice, filed on May 23, 2022; (h) CSWR Texas's fifth

supplement to the application filed on June 14, 2022; CSWR Texas's sixth supplement to the application filed on June 20, 2022; (i) CSWR Texas's response to Commission Staff's first request for information filed on July 7, 2022; and (j) Commission Staff's recommendation on approval of the transaction, including confidential attachments, filed on July 22, 2022.

³² *Application of CSWR-Texas Utility Operating Company, LLC and Aransas Bay Utilities Co., LLC for Sale, Transfer, or Merger of Facilities and Certificate Rights in Aransas County, Docket No. 53326 (pending).*

Adequacy of Existing Service

20. Shady Grove currently provides retail sewer service to ten customer connections in the requested area and such service has been continuous and adequate.

Need for Additional Service

21. The purpose of the transaction is to transfer Shady Grove's sewer system to CSWR Texas.
22. The customers are currently receiving sewer service from Shady Grove's sewer system.
23. There are currently ten existing customers in the requested area; therefore, there is a need for service. No additional service is needed at this time.

Effect of Approving the Transaction and Granting the Amendment

24. CSWR Texas will be the certificated entity for the requested area and be required to provide adequate and continuous service to the requested area.
25. There will be no effect on the landowners as the area is currently certificated.
26. There will be no impact on any retail public utility serving the proximate area. All retail public utilities in the proximate area were provided notice of the transaction taking place in this application and did not request to intervene.

Ability to Serve: Managerial and Technical

27. CSWR Texas has the ability to provide adequate service in the requested area. CSWR Texas has purchased several TCEQ approved public water systems and wastewater treatment plants. The Commission's complaint records, which date back to 2017, show 12 complaints against CSWR Texas.
28. CSWR Texas stated its intent to invest the capital required to make the upgrades, renovations, and repairs necessary to bring the water systems into compliance with TCEQ regulations and to ensure customers receive safe and reliable service. The needed improvements will begin when the systems are officially transferred to CSWR Texas. Once the water and sewer systems are compliant with TCEQ regulations, the service provided to the requested area will be adequate.
29. CSWR Texas employs or contracts with TCEQ-licensed wastewater treatment operators who will operate the sewer system.
30. No additional construction is necessary for CSWR Texas to provide service to the requested areas.

31. CSWR Texas has the technical and managerial capability to provide adequate and continuous service to the requested area.

Regionalization or Consolidation

32. The construction of a physically separate system is not necessary for CSWR Texas to serve the requested area. Therefore, concerns of regionalization or consolidation do not apply.

Feasibility of Obtaining Service from Adjacent Retail Public Utility

33. Shady Grove is currently providing sewer service to customers and has sufficient capacity. Therefore, it is not feasible to obtain service from an adjacent retail public utility.

Ability to Serve: Financial Ability

34. CSWR, LLC, the immediate parent company of CSWR Texas, is capable, available, and willing to cover temporary cash shortages, and has a debt-to-equity ratio of less than one, satisfying the leverage test.
35. CSWR, LLC provided a written guarantee of coverage of temporary cash shortages and demonstrated that it has sufficient cash available to cover any projected operations and maintenance shortages in the first year five years of operations after completion of the transaction and possesses the cash and leverage ability to pay for capital improvements and necessary equity investments—satisfying the operations test.
36. CSWR Texas demonstrated the financial and managerial ability and stability to provide continuous and adequate service to the requested area.

Financial Assurance

37. There is no need to require CSWR Texas to provide a bond or other financial assurance to ensure continuous and adequate service.

Environmental Integrity and Effect on the Land

38. The environmental integrity of the land will not be affected as no additional construction is needed to provide service to the requested area.

Improvement of Service or Lowering Cost to Customers

39. Sewer service to the requested area will improve because CSWR Texas intends to address and resolve regulatory compliance issues and improve the safety and reliability of service.

40. The rates charged to customers in the requested area will not change as a result of the proposed transaction because CSWR Texas will adopt the currently in effect tariff for the water systems and the sewer system upon consummation of the transaction.

II. Conclusions of Law

The Commission makes the following conclusions of law:

1. The applicants provided notice of the application that complies with TWC §§13.246 and 13.301(a)(1) and 16 TAC § 24.239(c).
2. After consideration factors in TWC § 13.246(c) and 16 TAC § 24.239(h)(5), CSWR Texas demonstrated adequate financial, managerial, and technical capability for providing adequate and continuous service to the requested area as required by TWC § 13.301(b) and 16 TAC § 24.239(e).
3. It is not necessary for CSWR Texas to provide bond or other financial assurance under TWC §§ 13.246(d) and 13.301(c).
4. The applicants have demonstrated that the sale of Shady Grove's facilities to CSWR Texas will serve the public interest and is necessary for the service, accommodation, convenience, and safety of the public under TWC § 13.301(d), (e).

III. Ordering Paragraphs

In accordance with the preceding findings of fact and conclusions of law, the Commission enters the following orders.

1. The sale is approved and the transaction between the applicants may proceed and be consummated.
2. As soon as possible after the effective date of the transaction, but not later than 30 days after the effective date, the applicants must file proof that the transaction has been consummated and customer deposits, if any, have been addressed.
3. The applicants have 180 days to complete the transaction.
4. Under 16 TAC § 24.239(m), if the transaction is not consummated within this 180-day period, or an extension is not granted, this approval is void and the applicants will have to reapply for approval.

5. The applicants are advised that the requested areas and associated facilities will remain under sewer CCN number 20767 and held by Shady Grove until the sale and transfer transaction is complete, in accordance with Commission rules.
6. In an effort to finalize this case as soon as possible, the applicants must continue to file monthly updates regarding the status of the closing and submit documents evidencing that the transaction was consummated.
7. Within 15 days following the filing of the applicants' proof that the transaction has been consummated and customer deposits, if any, have been addressed, Commission Staff must file a recommendation regarding the sufficiency of the documents and propose a schedule for continued processing of this docket.

Signed at Austin, Texas the ____ day of _____ 2022.
