<b>CONVENIENCE AND NECESSITY IN</b>	<b>§</b>	<b>OF TEXAS</b>
<b>COLORADO COUNTY</b>	<b>§</b>	

**ORDER NO. 13  
REQUIRING CLARIFICATIONS**

This Order addresses the December 16, 2022 joint motion to admit evidence and proposed notice of approval filed by Big Easy Agua LLC and Commission Staff and the need for clarifications.

Big Easy Ranch Development, LLC is developing a 120-lot subdivision. In its application filed on March 11, 2022, Big Easy filed a plat map (titled facilities plan). This plat map only covers 40 lots. The administrative law judge (ALJ) was unable to locate in the record a plat map covering the entire 120-lot subdivision.

In addition, the ALJ was unable to locate in the record the number of connections the well is rated to serve.

By March 20, 2023, Big Easy must file a plat map or maps covering the entire 120-lot subdivision and a general location map overlaid with the plat map or maps and clarify the number of connections the well is rated to serve. Big Easy must file a motion to admit the clarification and additional evidence.

**Signed at Austin, Texas the 6th day of March 2023.**
