**APPLICATION OF BIG EASY AGUA § PUBLIC UTILITY COMMISSION
LLC FOR A CERTIFICATE OF §
CONVENIENCE AND NECESSITY IN § OF TEXAS
COLORADO COUNTY §**

**ORDER NO. 14
REQUIRING CLARIFICATIONS**

This Order addresses the December 16, 2022 joint motion to admit evidence and proposed notice of approval filed by Big Easy Agua LLC and Commission Staff and the need for clarifications.

Big Easy Ranch Development, LLC is developing a 120-lot subdivision. In its application filed on March 11, 2022, Big Easy filed a plat map (titled facilities plan). This plat map only covers 40 lots. The administrative law judge (ALJ) was unable to locate in the record a plat map covering the entire 120-lot subdivision.

In addition, the ALJ was unable to locate in the record the number of connections the well is rated to serve.

In Order No. 13 filed on March 6, 2023, Big Easy was required to file a plat map or maps covering the entire 120-lot subdivision and a general location map overlaid with the plat map or maps and clarify the number of connections the well is rated to serve by March 20, 2023. Big Easy was also required to file a motion to admit the clarification and additional evidence. To date, Big Easy has not responded to Order No. 13.

By April 10, 2023, Big Easy must file a plat map or maps covering the entire 120-lot subdivision and a general location map overlaid with the plat map or maps and clarify the number of connections the well is rated to serve. Big Easy must file a motion to admit the clarification and additional evidence.

Signed at Austin, Texas the 28th day of March 2023.
