RE: Docket No. 53344 – Application of W&W Water, Inc. for a Class D Rate Adjustment

Dear Mr. Payne;

On March 11, 2022, W&W Water, Inc. (Applicant) filed an application for a Class D rate adjustment for the water systems under its water Certificate of Convenience and Necessity (CCN) No. 12023 with the Public Utility Commission of Texas (Commission). In order to complete Commission Staff's (Staff) review of the application, Staff requests additional information. Specifically, Staff requests that the Applicant submit the following:

- In the Block Gallonage Charges section on page 3 of the application, there is a category titled "For usage over 30,001 gallons." This should be corrected to read "For usage over 30,000 gallons."
- In the Block Gallonage Charges section on page 2 of the proposed notice, there is a category titled "For usage over 30,001 gallons." This should be corrected to read "For usage over 30,000 gallons."

Please do not implement the rate increase or provide notice of the rate increase to your customers until the Commission indicates that your application has been approved.

In order to ensure timely review of your application, please file the additional information requested above no later than 10 business days after receipt of this letter. If you have any questions, please contact me at Jenna.Keller@puc.texas.gov.

Sincerely,

/s/ Jenna Keller
