APPLICATION OF W&W WATER, INC. § PUBLIC UTILITY COMMISSION
FOR A CLASS D RATE ADJUSTMENT §
§ OF TEXAS

ORDER NO. 2
GRANTING EXTENSION AND REVISING DEADLINES

This Order addresses Commission Staff's April 8, 2022 request to extend the time to file a recommendation regarding completeness of the above-styled and numbered application and notice. Commission Staff states, to date, W&W Water, Inc. has not responded to its March 21, 2022 ten-day letter requesting additional information and without which Commission Staff cannot complete its recommendation. Staff further requests that its deadline to file a recommendation on administrative completeness be extended to May 6, 2022, as Commission Staff will need sufficient time to assess any additional information that is filed in the docket.

The administrative law judge grants Commission Staff's request for extension. By April 25, 2022, W&W Water must file a response to Commission Staff's ten-day letter requesting additional information.

By May 6, 2022, Commission Staff must file comments on the administrative completeness of the application and notice. Further, if Commission Staff recommends that the application be deemed administratively complete, Commission Staff must also file a recommendation on final disposition, including, if necessary, a proposed tariff sheet reflecting the requested rate change.

Signed at Austin, Texas the 11th day of April 2022.
