DOCKET NO. 53344

APPLICATION OF W&W WATER, INC. § PUBLIC UTILITY COMMISSION
FOR A CLASS D RATE ADJUSTMENT §
§ OF TEXAS

ORDER NO. 3
FINDING APPLICATION ADMINISTRATIVELY
COMPLETE AND ACCEPTED FOR FILING; AND REQUIRING NOTICE

This Order addresses the March 11, 2022 application of W&W Water, Inc. for a class D rate adjustment for the water system under its certificate of convenience and necessity (CCN) number 12023.

On May 6, 2022, Commission Staff filed a recommendation regarding administrative completeness and notice.

The administrative law judge (ALJ) finds W&W Water's application administratively complete and accepted for filing under Texas Water Code § 13.1872 and 16 Texas Administrative Code (TAC) § 24.49. The ALJ establishes an effective date for the rate increase of June 24, 2022.

Under 16 TAC § 24.49(e), W&W Water is required to provide notice to each ratepayer, using the notice included with its April 13, 2022 amendment to the application. The notice must be provided only after W&W Water receives a written Notice of Approval issued by the Commission, but at least 30 days before the effective date of the proposed rate change. Because the Notice of Approval has not yet been issued, the ALJ instructs W&W Water not to provide notice to ratepayers until the Notice of Approval is issued in this docket.

Signed at Austin, Texas the 10th day of May 2022.

PUBLIC UTILITY COMMISSION OF TEXAS

HUNTER BURKHALTER
CHIEF ADMINISTRATIVE LAW JUDGE
