ORDER NO. 3
FINDING APPLICATION INCOMPLETE AND DEFICIENT
AND ESTABLISHING AN OPPORTUNITY TO CURE

This Order addresses the sufficiency of the March 11, 2022 application of T Water Necessities, Inc., G. Kelly Brewer, and T & W Water Service Company for sale, transfer, or merger of facilities and certificate rights in Hardin and Orange counties. The applicants filed supplemental information on April 1 and 13, 2022.

On May 10, 2022, Commission Staff filed a recommendation on administrative completeness.

The administrative law judge (ALJ) finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before May 26, 2022, the applicants must supplement the application to cure the deficiencies as described in the May 10, 2022 memoranda of Patricia Garcia. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

On or before June 10, 2022, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 12th day of May 2022.
