**PROJECT NO. 53385**

**AFFIDAVIT OF DIRECTOR OF ELECTRIC UTILITIES**

**LUBBOCK POWER & LIGHT**

**PURSUANT TO 16 TEXAS ADMINISTRATIVE CODE § 25.53**

**STATE OF TEXAS** §

**COUNTY OF LUBBOCK** §

BEFORE ME, the undersigned authority, on this day personally appeared Joel Ivy, and who, after being duly sworn, stated on his oath that he is entitled to make this Affidavit, and that the statements contained below are true and correct.

I, Joel Ivy, am of legal age, a resident of Texas, of sound mind, and capable of making this affidavit. I have personal knowledge of the facts herein, or am relying on people with personal knowledge. As the chief administrative officer of Lubbock Power & Light, and consequently, the highest-ranking representative with binding authority over Lubbock Power & Light, I swear or affirm the following facts are true and correct:

1. I am the Director of Electric Utilities for Lubbock Power & Light (LP&L), which is the municipally owned electric utility of the City of Lubbock, a home rule municipality in the State of Texas.
2. LP&L operates an electric utility system in the State of Texas and partially within the Electric Reliability Council of Texas (ERCOT) power region, and partially within the Southwest Power Pool.
3. The Emergency Operations Plan (EOP) has been distributed to relevant LP&L Managers and Operations personnel.
4. Relevant operating personnel at LP&L are familiar with and have received training on the applicable contents and execution of the EOP, and such personnel are instructed to follow the applicable portions of the EOP except to the extent deviations are appropriate as a result of specific circumstances during the course of an emergency.
5. The EOP has been reviewed and approved by the appropriate executives.
6. Drills have been or will be conducted to the extent required by 16 TAC § 25.53(f). If LP&L activates the EOP in response to an emergency is not required to conduct or participate in a drill in the calendar year in which the EOP was activated.
7. LP&L will notify Public Utility Commission of Texas (PUC) staff and the appropriate Texas Department of Emergency Management (TDEM) District Coordinators at least thirty (30) days prior to the drill. If LP&L activates the EOP in response to an emergency is not required to conduct or participate in a drill in the calendar year in which the EOP was activated.
8. LP&L has distributed the EOP or an appropriate summary to local jurisdictions as needed,

including regional TDEM personnel and the Lubbock County Emergency Management Coordinator.

9. LP&L maintains a Business Continuity Plan that addresses returning to normal operations after disruptions caused by an incident.
10. LP&L's emergency management personnel who are designated to interact with local, state, and federal emergency management officials during emergency events have received the latest IS-100, IS-200, IS-700, and IS-800 National Incident Management System training.

Affiant further sayeth not.
