**COUNTY OF BASTROP §**

BEFORE ME, the undersigned authority, on this day personally appeared, and who, after being duly sworn, stated on his or her oath he or she is entitled to make this Affidavit, and that the statements contained below are true and correct.

I, Robert Tamble, swear or affirm that as a Municipally Owned Utility operating in the State of Texas and the Electric Reliability Council of Texas (ERCOT) region and control system, confirms the following:

"I am the City Manager for the City of Smithville (COS), which is an incorporated municipality in the State of Texas.

COS operates an electric distribution utility system in the State of Texas and the Electric Reliability Council of Texas power region.

The Emergency Operations Plan (EOP) developed to comply with the updated 16 TAC §25.53. Electric Service Emergency Operations Plan Rule, has been distributed to COS Managers and Operations personnel;

COS executives and Operations personnel have received training on the updated EOP;

In accordance with the updated 16 TAC §25.53. Electric Service Emergency Operations Plan Rule, a drill (tabletop exercise) for COS Operations personnel will be conducted as required;

COS will notify Commission Emergency Management Personnel and regional TDEM representative(s) prior to the drill;

COS has distributed the EOP to local Jurisdictions, including regional TDEM personnel and including Bastrop County Emergency Management Coordinator;

COS has a Business Continuity Plan related to returning to normal operations after an emergency event or situation;

COS's emergency management personnel who are designated to interact with local, state, and federal emergency management officials during emergency events have received the latest IS-100, IS-200, IS-700, and IS-800 National Incident Management System training.
