ACE Power, LLC  
Emergency Operations Plan – Annual Update Affidavit

The undersigned below is the entity's highest-ranking representative, official, or officer with binding authority over ACE Power, LLC, and affirms the following:

1. Relevant operating personnel are familiar with and have received training on the applicable contents and execution of the EOP, and as such personnel are instructed to follow the applicable portions of the EOP except to the extent deviations are appropriate as a result of specific circumstances during the course of an emergency;
2. The EOP has been reviewed and approved by the appropriate executives;
3. Drills will be conducted to the extent required by subsection (f) of PUCT Rule 25.53;
4. The EOP or an appropriate summary has been distributed to local jurisdictions as needed;
5. ACE Power, LLC maintains a business continuity plan that addresses returning to normal operations after disruptions caused by an incident; and
6. ACE Power, LLC's emergency management personnel who are designated to interact with local, state, and federal emergency management officials during emergency events will receive the latest IS-100, IS-200, IS-700, and IS-800 National Incident Management System training by 12/31/2023.
