BEFORE ME, the undersigned authority, on this day personally appeared Joshua W. Evans, who, after being duly sworn, stated on their oath that the following statements contained below are true and correct, to the best of their knowledge:

1. My name is Joshua W. Evans. My business address is 1031 Andrews Highway, Suite 201, Midland, TX 79701. I am over the age of 18 and fully competent to make this affidavit. I have personal knowledge of the facts contained herein, and to the best of my knowledge, they are true and correct.
2. I am currently employed as Chief Executive Officer, the highest-ranking representative, official, or officer with binding authority over power generation company ("PGC") HiVolt Power I, LLC ("HiVolt Power"), PGC No. 20695. I am authorized to make this affidavit on its behalf.
3. HiVolt Power filed the Executive Summary, Affidavits, and Emergency Operations Plan ("EOP") on July 27, 2022, in Project No. 53385, Item 759.
4. On behalf of HiVolt Power, I affirm the following:
 - i. Relevant operating personnel are familiar with and have received training on the applicable contents and execution of the EOP, and such personnel have been instructed to follow the applicable portions of the EOP except to the extent deviations are appropriate as a result of specific circumstances during the course of an emergency.
 - ii. The EOP has been reviewed and approved by the appropriate executives.
 - iii. HiVolt Power complies with the requirements for drills contained within the Commission's Emergency Operations Plan rule, subsection (f). In 2022, drills were conducted. HiVolt Power will comply with the requirement for PGCs to provide notification 30 days prior to a drill.
 - iv. The EOP or an appropriate summary will be distributed to local jurisdictions if deemed necessary.
 - v. HiVolt Power maintains a business continuity plan that addresses returning to normal operations after disruptions caused by an incident.
 - vi. HiVolt Power's emergency management personnel who are designated to interact with local, state, and federal emergency management officials during emergency events have received the latest IS-100, IS-200, IS-700, and IS-800 National Incident Management System training.
