RE: Project No. 53385, *Project to Submit Emergency Operations Plans and Related Documents under 16 TAC § 25.53*

Dear Ms. Kirkland:

Oncor Electric Delivery Company LLC (“Oncor”) is submitting the enclosed documents for filing in the above-referenced project consistent with the requirements of 16 Tex. Admin. Code § 25.53(c)(3)(B) (“TAC”). That provision requires an entity that, in the previous calendar year, did not make a change to its Emergency Operations Plan (“EOP”) that materially affects how the entity would respond to an emergency to file the designated documents with the Commission. Because Oncor has not made a change to its EOP that materially affects how Oncor would respond to an emergency, Oncor is submitting the documents listed below for filing consistent with 16 TAC § 25.53(c)(3)(B).

1. Attestation signed by Oncor’s Chief Executive Officer, E. Allen Nye, Jr. Pursuant to 16 TAC § 25.53(c)(3)(B)(ii) stating that Oncor did not make a change to its EOP that materially affects how Oncor would respond to an emergency.
2. Affidavit of Oncor Electric Delivery Company LLC Pursuant to 16 Tex. Admin. Code § 25.53(c)(3)(B)(iii) executed by Oncor’s Chief Executive Officer, E. Allen Nye, Jr. affirming the provisions contained in 16 TAC § 25.53(c)(4)(C)(i)-(vi).

Please note that Oncor’s List of Emergency Contacts previously filed pursuant to 16 TAC § 25.53(c)(4)(B) has not been revised and is not being re-submitted here.

Thank you for your assistance with this filing. If you have any questions about this filing, please do not hesitate to contact me at 214.486.3512 or Thomas.Yamin@oncor.com.

Respectfully submitted,

Thomas J. Yamin, P.E.
Director of Regulatory Transmission and Planning
