Re: Project No. 53385: Emergency Operations Plan Submission of Elbow Creek Wind Project LLC

Dear Filing Clerk:

In accordance with Public Utility Commission of Texas Substantive Rule § 25.53, Elbow Creek Wind Project LLC ("Elbow Creek") hereby submits its annual emergency operations plan ("EOP") submission. This submission includes:

- a pleading that (a) indicates no changes have been made to the EOP that materially affect how Elbow Creek would respond to an emergency, (b) provides a list of emergency contacts and documentation of changes, and (c) a record of distribution, and
- an affidavit that includes an attestation from Elbow Creek's highest-ranking officer stating that Elbow Creek did not make a change to its EOP that materially affects how Elbow Creek would respond to an emergency and the affirmations required under § 25.53(c)(4).

If you have any questions, please do not hesitate to contact me at 346-293-7088.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Gretchen Schott", written over a horizontal line.

*On behalf of Elbow Creek Wind Project LLC*

**AFFIDAVIT**

I, Christopher S. Sotos, being duly sworn, state that I am the highest-ranking representative, official, or officer with binding authority over Elbow Creek Wind Project LLC (“Elbow Creek”). In this position, I have personal knowledge of the facts stated herein, and I affirm that, to the best of my knowledge and belief:

- (i) relevant operating personnel are familiar with and have received training on the applicable contents of the emergency operation plan (“EOP”) of Elbow Creek as reflected in this filing, and such personnel are instructed to follow the applicable portions of the EOP except to the extent deviations are appropriate as a result of specific circumstances during the course of an emergency;
- (ii) the EOP has been reviewed and approved by the appropriate executives;
- (iii) drills have been, and will be, conducted to the extent required by Public Utility Commission of Texas Substantive Rule 25.53(f);
- (iv) the EOP or an appropriate summary has been distributed to local jurisdictions as needed;
- (v) there is a business continuity plan that addresses returning to normal operations after disruptions caused by an incident;
- (vi) designated personnel who interact with local, state, and federal emergency management officials during emergency events have received IS-100, IS-200, IS-700, and IS-800 National Incident Management System training; and
- (vii) Elbow Creek has not made any changes to the EOP it filed with the Public Utility Commission on March 2, 2023 in Project No. 53385 that materially affects how it would respond to an emergency.
