Re: PUC Project No. 53385, Notification of Confidentiality for Emergency Operations Plan for the Johnson County Power Plant

Ladies and Gentlemen:

On behalf of Johnson County Power, LLC ("Johnson County"), we are electronically filing the Emergency Operations Plan ("EOP") for the Johnson County Power Plant in accordance with 16 TEX. ADMIN. CODE §25.53, with redacted contact information.

Johnson County has designated its confidential contacts information in Section 1.2, Section 3, Annex 1, and Appendix 2 Table 2 of the EOP as "Protected Material," which should be afforded appropriate protections in accordance with 16 TEX. ADMIN. CODE § 22.71(d) and is exempt from disclosure in accordance with the standard protective order issued by the Public Utility Commission (the "PUC"). Accordingly, Johnson County is electronically submitting its Confidential EOP under seal and requests that it be maintained as confidential in the PUC files and be considered exempt from public disclosure pursuant to TEX. GOVT CODE §§ 552.101 and 552.110.

Johnson County is also submitting the Confidential EOP under seal to ERCOT as required.

Respectfully submitted,

/s/ Michael J. Tomsu
