**Item Number - 1853**

	Prospero Energy Project, LLC and Prospero II Solar, LLC	Version: 4.0
	EMERGENCY OPERATIONS PLAN	Issued: 6/16/2023

### 10.5 Appendix E: Emergency Operating Plan Affidavit

1. Relevant operating personnel are familiar with and have received training on the applicable contents and execution of the Emergency Operations Plan (EOP), and such personnel are instructed to follow the applicable portions of the EOP except to the extent deviations are appropriate as a result of specific circumstances during the course of an emergency;
2. The EOP has been reviewed and approved by the appropriate executives;
3. Drills have been conducted to the extent required by subsection (f) of this section[ 1];
4. The EOP or an appropriate summary has been distributed to local jurisdictions as needed
5. LES maintains a business continuity plan that addresses returning to normal operations after disruptions caused by an incident; and
6. LES' emergency management personnel who are designated to interact with local, state, and federal emergency management officials during emergency events have received the latest IS-100, IS-200, IS-700, and IS-800 National Incident Management System training.
