Project No. 53385 - Demand Control 2, LLC Emergency Operations Plan Update

PUCT Staff,

Pursuant to 16 Texas Administrative Code ("TAC") § 25.53(c)(3)(B), Demand Control 2, LLC ("DC2") (Certificate No. 10265) is hereby filing its Emergency Operations Plan ("EOP") annual update.

The filing includes:

- 1) Affidavit from Chris Hendrix:
 - a) Attesting that no changes were made to the EOP that materially affect how DC2 would respond to an emergency; and
 - b) Providing the affirmations required by 16 TAC § 25.53(c)(4)(C).
- 2) A pleading confirming DC2 Emergency Contacts.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chris Hendrix'.

**FILED PURSUANT TO § 25.53 ELECTRIC SERVICE EMERGENCY OPERATIONS
PLANS SECTION (3)(B)**

22

1. DC2 personnel have reviewed the current EOP and determined that the plan continues to support current operations. All changes to the plan did not materially alter how DC2 would respond to any future emergencies.
2. All relevant operating personnel of DC2 are familiar with and have received training on the applicable contents and execution of DC2's EOP, and have been instructed to follow the applicable portions of DC2's EOP except to the extent deviations are appropriate because of specific circumstances during the course of an emergency.
3. DC2's EOP has been reviewed and approved by all appropriate DC2 executives.
4. DC2 last conducted an EOP drill in December 2023 as required by 16 TAC § 25.53(f).

5. DC2 has determine it was unnecessary to distribute its EOP to local jurisdictions at this time.
6. DC2 has a business continuity plan that addresses returning to normal operations after disruptions caused by an incident.
7. DC2's personnel designated to interact with local, state, and federal emergency management officials has received the IS-100, IS-200, IS-700, and IS-800 NIMS training.
