RE: Project No. 53385, Project to Submit Emergency Operations Plans and Related Documents Under 16 TAC § 25.53

TO THE HONORABLE PUBLIC UTILITY COMMISSION OF TEXAS:

This letter serves to inform that Oncor Electric Delivery conducted an internal "**Cyber Drill**" on September 5, 2024, from 8:30 AM to 1:00 PM. The primary aim of this exercise was to strengthen our preparedness in responding to potential cyber-attacks to the bulk electric system.

Furthermore, as indicated in the letter filed by Oncor in this docket on June 28, 2024, in addition to meeting its compliance obligation under 16 TAC § 25.53(f) for 2024 through an actual storm response, the "**Fall Major Storm Drill**" remains scheduled for November 6, 2024.

Oncor remains committed to fostering a culture of readiness and proactively preparing for any potential emergencies. Oncor will provide notifications of future drills.

Respectfully Submitted,
