Re: Alexis Solar, LLC Emergency Operations Plan Annual Update for
PGC Registration #20461

To the Public Utility Commission of Texas:

Pursuant to section 25.53 of the Public Utility Commission of Texas' (PUCT) regulations, 16 Tex. Admin. Code § 25.53, Alexis Solar, LLC (Alexis Solar) hereby submits its annual update regarding Alexis Solar's Emergency Operations Plan (EOP). Alexis Solar is registered as a Power Generating Company with the PUCT in accordance with PUCT Chapter 25 § 25.53(c), with PGC Registration #20461.

In the previous year, Alexis Solar did not make a change to its most recently submitted EOP. Therefore, as is required by § 25.53(c)(B), Alexis Solar provides the following: (1) a pleading that affirms no changes have been made to its list of emergency contacts; (2) an attestation from Alexis Solar's highest-ranking representative with binding authority over Alexis Solar stating that it did not make a change to its most recent EOP; and (3) an affidavit as required under § 25.53(c)(4)(C).

EOP Emergency Contacts

COMES NOW, Alexis Solar pursuant to 16 Tex. Admin. Code (TAC) § 25.53 Electric Service Emergency Operations Plans, who files this statement regarding section (3)(B)(i) which requires a pleading that documents any changes to the list of emergency contacts.

I. AUTHORIZED REPRESENTATIVE

The name, address, and telephone number of Alexis Solar's authorized Representative is:

James Machulak
Senior VP, Finance and Operations
1101 Connecticut Ave NW, Floor 2
Washington, DC 20036
(414) 305-2930
James.Machulak@solsystems.com

II. NOTICE OF CHANGES TO EMERGENCY CONTACTS

Alexis Solar hereby gives notice that, effective March 13, 2025, it has not made changes to the Emergency Contacts previously filed with the Commission pursuant to 16 TAC § 25.53(c)(4)(B). Pursuant to § 25.53(c)(4)(A), Alexis Solar has reviewed the current Emergency Operations Plan and has not made any changes that materially affect how Alexis Solar would respond to an emergency, as attested to in the accompanying filing.

Respectfully Submitted,

James Machulak

Authorized Representative,
Alexis Solar, LLC

(Date)

Attestation

I, James Machulak confirm the following as true and correct to the best of my knowledge with the information available to me at this time:

Alexis Solar operates a Power Generation Company in the State of Texas and the Electric Reliability Council of Texas (ERCOT) region and control system;

The § 25.53 Electric Service Emergency Operations Plans Rule is applicable to Alexis Solar.

Alexis Solar has reviewed the Alexis Solar EOP that was filed with the Commission in February 2025 and Alexis Solar did not make any changes to its EOP that materially affects how Alexis Solar would respond to an emergency.

(Date)

Affidavit

The following affidavit is prepared in accordance with PUCT § 25.53(c)(4)(C).

“I hereby affirm that

- (i) relevant operating personnel operating the applicable facilities are familiar with the contents and execution of the EOP and will receive the appropriate training in accordance with Alexis Solar’s training schedule. Furthermore, such personnel are committed to following the applicable portions of the EOP except to the extent deviations are appropriate as a result of specific circumstances during the course of an emergency;
- (ii) the EOP has been reviewed and approved by the appropriate executives;
- (iii) drills have been conducted to the extent required by subsection § 25.53(f);
- (iv) the EOP or an appropriate summary has been distributed to local jurisdictions as needed;
- (v) the applicable entities maintain business continuity plans that address returning to normal operations after disruptions caused by an incident; and
- (vi) all of the entity's emergency management personnel who are designated to interact with local, state, and federal emergency management officials during emergency events have received the latest IS-100, IS-200, IS-700, and IS-800 National Incident Management System training.”
