## 3.0 PREFACE

This Emergency Action Plan (EAP or Plan) has been designed to establish practices and procedures for the Golden Spread Panhandle Wind Ranch in the event of an emergency and has been developed to address elements in 29 CFR 1910.120(q)(2). This Plan is supported by a set of implementing procedures and additional plans as listed in this section. The elements that are required to be included in the Plan are identified and cross-referenced in **Table 3-1**.

## 20.0 REVISION LOG

The revision history for this EAP is presented in Table 18-1.

**Table 20-1 Revision History**

<b>Date</b>	<b>Description of Revision</b>
10-25-2012	Updated information
09-11-2014	Updated contact information
09-11-2014	Change of name, Wood Group to Ethos Energy
04-05-2017	Update for new operator
02-01-2018	Removed Jeff Pippin as Asset manager and added Dave Marsh
10-08-2019	Removed Kevin Defoor as site manager and added Michael Greeno
2-8-2022	Format change.
4-14-2022	Corrected land owner names.

## 1.0 PURPOSE

[REDACTED]

[REDACTED]

[REDACTED]

## 2.0 DEFINITIONS

[illegible]

**Hazard (PUCT Definition)** – a natural, technological, or human-caused condition that is potentially dangerous or harmful to life, information, operations, the environment, or property, including a condition that is potentially harmful to the continuity of electric service.

**Threat (PUCT Definition)** – the intention and capability of an individual or organization to harm life, information, operations, the environment, or property, including harm to the continuity of electric service.

## 5.0 SUPPLEMENTARY ACTIONS

- [REDACTED]  
[REDACTED]

- [REDACTED]  
[REDACTED]

**NOTE:** The exact cause of the trip must be fully understood and corrected prior to restoration of service. Failure to fully investigate the fault could result in recurring trip conditions and/or increase the extent of any damage. **DO NOT** reset any relay trip flags without the permission of the Maintenance or Operations Manager and unless cause of relay operation is known.
