RE: Project No. 53385, *South Plains Wind Energy, LLC's Emergency Operations Plan and Executive Summary*

To Whom It May Concern:

On April 18, 2022, South Plains Wind Energy, LLC confidentially filed in Project No. 53385 as AIS Item No. 452 its Emergency Operations Plan and Executive Summary (collectively, "EOP") in accordance with the requirements of 16 TEX. ADMIN. CODE § 25.53. This filed EOP contained incorrect redactions. Accordingly, an identical version containing the correct redactions was submitted later that same day and subsequently posted in the project on April 19, 2022 as AIS Item No. 488. Because these two filings are identical with the exception of the redaction error in the initial filing, South Plains Wind Energy, LLC requests that Central Records void AIS Item No. 452 and delete the associated file.

Sincerely,

By:
