**RE: Project No. 53385** – Supplement to Annual Electric Service Emergency Operations Plans.  
Freepoint Energy Solutions LLC – REP Certificate No. 10248, approved 06/14/2017

To Whom It May Concern:

Freepoint Energy Solutions LLC ("Freepoint Solutions") hereby supplements the affidavit that was included in its initial filing of the Electric Service Emergency Operations Plans ("EOP"). At the time the EOP was filed, section 4 of the affidavit stated that "drills will be conducted in the last quarter of 2022 to the extent required and Freepoint will make a subsequent filing prior to the end of 2022 indicating the same once such drill(s) is conducted."

On June 24, 2022, Freepoint Solutions conducted and completed the required drill pursuant to 16 TAC §25.53(c)(4)(C)(iii).

I have enclosed a signed and notarized copy of the supplemented affidavit for submission.

Should you have any questions or need additional information regarding this filing, please do not hesitate to call me at (713) 239-8074 or email.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Lena Davila", is written over a horizontal line.
