## AFFIDAVIT

STATE OF TEXAS           §  
                                     §  
COUNTY OF MIDLAND   §

Before me, the undersigned authority, on this day personally appeared Joshua W. Evans, to me known to be the person whose name is subscribed to the foregoing instrument, who being duly sworn according to law, deposes and says:

1. My name is Joshua W. Evans. I am the Chief Executive Officer of HiVolt Power I, LLC ("HPI") and the highest-ranking officer with binding authority over HPI.

2. I swear or affirm that in my capacity as CEO of HPI, I have personal knowledge of the facts stated in the Emergency Operations Plan ("EOP") submitted to ERCOT and filed into Project No. 53385.

3. Relevant operating personnel are familiar with and have received training on the applicable contents and execution of the EOP, and such personnel have been instructed to follow the applicable portions of the EOP except to the extent deviations are appropriate as a result of specific circumstances during the course of an emergency.

4. The EOP has been reviewed and approved by the appropriate executives.

5. HPI intends to conduct a drill consistent with subsection (f) of PUC Subst. R. § 25.53 during this calendar year and will provide notice to Commission Staff at least 30 days before that drill is conducted.

6. The EOP or an appropriate summary has been distributed to local jurisdictions as needed.

7. HPI maintains a business continuity plan addressing return to normal operations after disruptions caused by an incident.

8. HPI does not have any emergency management personnel designated to interact with local, state, and federal emergency management officials during emergency events. Any future emergency management personnel designated will complete the latest IS-100, IS-200, IS-700, and IS-800 National Incident Management Systems training prior to interacting with any of the designated officials during an emergency.

9. I further swear or affirm the information, statements and/or representations contained in the Emergency Operations Plan are true, complete, and correct to the best of my knowledge and belief.

Joshua W. Evans, P.E.
