RE: Docket No. 53385 – *Project to Submit Emergency Operations Plans and Related Documents Under 16 TAC § 25.53*

To Whom it May Concern:

Pursuant to 16 Texas Admin. Code § 25.53(f), Southwestern Public Service Company (SPS) is providing notice to the Public Utility Commission of Texas that it is conducting this year's Energy Supply Emergency Operations Drill. This drill will activate the Emergency Action Plan and test responses from the facility level and escalate to the corporate level at the Xcel Energy Jones Station. This drill will be conducted on October 20, (approximately 10:00 AM to 3:00 PM), 2022.

SPS previously conducted its Transmission Emergency Operations Drill in the Spring of 2022. Xcel Energy Inc. will also be conducting an Enterprise-Wide Enterprise Management Team drill on December 8th of 2022.

Please feel free to call me at (806) 420-8989 if you have any questions.

Sincerely,

Jeremiah W. Cunningham

Subject: Southwestern Public Service Company (SPS) Drill Notification
Importance: High

Good Morning,

Pursuant to 16 Texas Admin. Code § 25.53(f), Southwestern Public Service Company (SPS) is providing notice to the Public Utility Commission of Texas that it is conducting this year's Energy Supply Emergency Operations Drill. This drill will activate the Emergency Action Plan and test responses from the facility level and escalate to the corporate level at the Xcel Energy Jones Station. This drill will be conducted on October 20, (approximately 10:00 AM to 3:00 PM), 2022.

SPS previously conducted its Transmission Emergency Operations Drill in the Spring of 2022. Xcel Energy Inc. will also be conducting an Enterprise-Wide Enterprise Management Team drill on December 8th of 2022.

Today I am filing a letter containing this same information in Project No. 53385. Please contact me if you have any questions.
