Re: Project No. 53385--*Project to Submit Emergency Operations Plans and
Related Documents Under 16 TAC § 25.53*

Dear Filing Clerk:

This letter is to notify the Public Utility Commission of Texas ("Commission") that on December 19, 2022, East Texas Electric Cooperative, Inc. ("ETEC") activated its Emergency Operations Plan ("EOP"), which was filed with the Commission in this Project on April 18, 2022. The EOP has been activated in anticipation of the extremely cold temperatures that have been forecasted for East Texas later this week. Because of the actual use of the EOP, ETEC has fulfilled its obligations related to drills pursuant to 16 TAC § 25.53(f) as it takes appropriate actions in anticipation of the upcoming weather event, including the use of the EOP.

Sincerely,

J. Jolly Hayden
Vice President, Power Supply & Operations
East Texas Electric Cooperative Inc.
