CITY OF SEYMOUR**

PURSUANT TO 16 TEXAS ADMINISTRATIVE CODE § 25.53

STATE OF TEXAS §

COUNTY OF BAYLOR §

BEFORE ME, the undersigned authority, on this day personally appeared, and who, after being duly sworn, stated on his or her oath he or she is entitled to make this Affidavit, and that the statements contained below are true and correct.

I, Dr. Jeffrey Brasher, swear or affirm that as a Municipally Owned Utility operating in the State of Texas and the Electric Reliability Council of Texas (ERCOT) region and control system, confirms the following:

“I am the City Administrator for the City of Seymour (COS), which is an incorporated municipality in the State of Texas.

COS operates an electric distribution utility system in the State of Texas and the Electric Reliability Council of Texas power region.

The Emergency Operations Plan (EOP) developed to comply with the updated 16 TAC §25.53. Electric Service Emergency Operations Plan Rule, has been distributed to COS Managers and Operations personnel;

COS executives and Operations personnel have received training on the updated EOP;

In accordance with the updated 16 TAC §25.53. Electric Service Emergency Operations Plan Rule, a drill (tabletop exercise) for COS Operations personnel was completed prior to the Winter Season in CY2022, and will be conducted in CY2023 as required;

COB notified Commission Emergency Management Personnel and regional TDEM representative(s) prior to the drill;

COS has distributed the EOP to local Jurisdictions, including regional TDEM personnel and including the Baylor County Emergency Management Coordinator;

COS has a Business Continuity Plan related to returning to normal operations after an emergency event or situation;

COS’s emergency management personnel who are designated to interact with local, state, and federal emergency management officials during emergency events have received the latest IS-100, IS-200, IS-700, and IS-800 National Incident Management System training.
