SOUTHWEST TEXAS ELECTRIC COOPERATIVE, INC.
FILED PURSUANT TO SECTION 24 SENATE BILL 3 AND
TEXAS UTILITIES CODE, TITLE 4, SECTION 186.007

STATE OF TEXAS §

COUNTY OF SCHLEICHER §

BEFORE ME, the undersigned authority, on this day personally appeared the undersigned affiant, who swore on oath that the following facts were true:

“My name is Pat Jackson. The facts stated within this Affidavit are within my personal knowledge and are true and correct. I am over the age of eighteen years and am of the soundness of mind necessary to testify to the facts stated in this Affidavit. I am competent to make this Affidavit.

“I am President of Southwest Texas Electric Cooperative, Inc. (SWTEC)”

“SWTEC operates an electric distribution utility system in the State of Texas and the Electric Reliability Council of Texas power region.

“SWTEC has adopted an Emergency Operations Plan (EOP) which complies with the updated 16 TAC §25.53. Electric Service Emergency Operations Plan Substantive Rule adopted by the Public Utility Commission of Texas (PUCT);

“The EOP has been distributed to SWTEC Managers and Operations personnel;

“SWTEC Operations personnel are familiar with and have received training on the applicable contents and execution of the EOP, and as such personnel are instructed to follow the applicable contents and execution of the EOP except to the extent deviations are appropriate as a result of special circumstances during the course of an emergency;

“The General Manager and other SWTEC executives have reviewed and approved the EOP;

“Drills will be conducted to the extent required by subsection (f) of the updated SWTEC EOP and SWTEC will notify the Commission Emergency Management Personnel and regional TDEM representative(s) prior to conduction such required drills;

“SWTEC has distributed the EOP or an appropriate summary of the EOP to all local

jurisdictions as needed, including all Counties in the SWTEC service area;

“SWTEC has adopted and maintains a Business Continuity Plan that addresses returning to normal operations after disruptions caused by an incident, emergency event or situation;

“SWTEC’s emergency management personnel who are designated to interact with local, state, and federal emergency management officials during emergency events have received the latest IS-100, IS-200, IS-700, and IS-800 National Incident Management System training.
