Persons who wish to intervene in this docket must also mail or email a copy of their request for intervention to all parties in the docket and all persons that have pending motions to intervene, at or before the time the request for intervention is mailed to the PUC. In addition to the intervention deadline, other important deadlines may already exist that affect your participation in this docket. You should review the orders and other filings already made in the docket.

Persons may file comments on Aqua's application without requesting to intervene using the attached form and the filing procedures described above. Unlike intervenors, commenters will NOT be considered a party to this case, comments will not be considered evidence in this case, and commenters will have no further obligation to participate in the proceeding. Public comments may help inform the PUC of public concerns and identify issues to be explored.

Dear Public Utility Commission of Texas  
PUC Docket No:53428

I do wish to protest the proposed rate action by Aqua Texas Inc.  
Why should I be charged for sewer when I have a septic system?  
I live on fix income, why can't they manage without raising rates?

Thank You for your time

Sincerely,

*Patricia Webster*
