**ORDER NO. 13  
GRANTING FIFTH EXTENSION OF TIME TO COMPLETE TRANSACTION**

This Order addresses CSWR-Texas Utility Operating Company, LLC's November 1, 2023 fifth request to extend the 180-day deadline to complete the transaction that is the subject of this application. CSWR-Texas states that additional time is needed to close the transaction due to real estate title issues and the need to assign a purchased water agreement. CSWR-Texas represents that Commission Staff is not opposed to the request for extension. CSWR-Texas also represents that most of the closing issues have been resolved and that it anticipates that the transaction will close by the end of December 2023.

The administrative law judge (ALJ) grants CSWR-Texas's fifth request for extension. Under 16 Texas Administrative Code § 24.239(m), the ALJ extends deadline for the applicants to complete their transaction to January 5, 2024. However, the ALJ advises the applicants that no further extensions will be granted absent a report detailing the issues preventing closing of the transaction, the efforts made to resolve the issues, and an estimated timeline of the resolution of each issue.

The applicants must continue to file a monthly update regarding the status of closing and submit documents as evidence that the transaction was completed, if applicable.
