**ORDER NO. 5  
REQUIRING REPLIES**

On June 17, 2022 Mark Blankenship filed a request to intervene in the above-styled and numbered docket. Mr. Blankenship states that he and his wife have a contract to purchase a portion of the property included in the application and that the contract predates the contract between CSWR-Texas Utility Operating Company and Water Works I and II. On June 24, 2022, Mr. Blankenship again filed his request to intervene.

On June 24, 2022, CSWR-Texas filed a response to Mr. Blankenship's request to intervene. CSWR-Texas states that Mr. Blankenship is a customer of Water Works I and II and has a right to intervene in this case. CSWR-Texas states Mr. Blankenship's request should be limited to his status as a customer, but to the extent that Mr. Blankenship seeks a Commission decision on a competing contract for the purchase of real property from Water Works I and II, Mr. Blankenship's request is outside the Commission's jurisdiction.

By July 8, 2022, Commission Staff must file a reply to CSWR-Texas's response to Mr. Blankenship's request to intervene. Additionally, by July 8, 2022, Mr. Blankenship may file a reply to CSWR-Texas's response to his request to intervene.

**Signed at Austin, Texas the 28th day of June 2022.**
