APPLICANT'S SUPPLEMENTAL FINANCIAL INFORMATION

On September 12, 2022, Undine Development, LLC ("Undine") submitted Supplemental Information in the subject docket. Undine hereby requests that the financial information submitted pursuant to this pleading replace the financial information Undine submitted on September 12th.

The Applicant hereby files the supplemental information attached as "**Exhibit A,**" submitted confidentially, pursuant to Commission Staff's informal information request.

The Applicant asserts that the information contained in this Exhibit A is exempt from disclosure pursuant to the Public Information Act based on Section 552.110(c) of the Act because disclosure of the information, comprising sensitive commercial and financial information, would cause substantial competitive harm to Undine. The attorneys for the Applicant have reviewed the information sufficiently to state in good faith that the information is exempt from public disclosure under the Public Information act and merits the Protected Materials designation under the Protective Order issued in Docket NO. 53445. The Applicant further asserts that this material is of such a highly sensitive nature that making copies of such documents or information or providing access to such documents to employees of the Reviewing Party (as defined in the Protective Order) would expose a producing party to unreasonable risk of harm.
