Re: Docket No. 53472 - Application of Monarch Utilities I L.P. to Amend its Certificates of Convenience and Necessity and Transfer Service Area from Johnson County Special Utility District and Mountain Peak Special Utility District in Johnson County

Errata Correction of the Application

To the Commission:

In the application filed in this docket on April 8, 2021 by Monarch Utilities I L.P. (Monarch) it was explained in several places that there were existing customers within the areas to be acquired. However, it was incorrectly indicated in the detail page that there were 0 customers in the requested areas.

Detailed review confirmed that there are approximately 65 current customers within the requested areas and this was correctly reported in the customer and public notices.

Please contact me if any additional information is required at this time.

Sincerely,

/s/ George Freitag
