Re: Docket No. 53472 - Application of Monarch Utilities I L.P. to Amend its Certificates of Convenience and Necessity and Transfer Service Area from Johnson County Special Utility District and Mountain Peak Special Utility District in Johnson County

To the Commission:

Attached are revised and updated maps showing the requested areas to be added to Certificate of Convenience and Necessity (CCN) 12983. Monarch previously included in its application a request to transfer area into the CCN of the neighboring utility. After discussions with Commission staff, Monarch is revising its request to only add the areas shown on the maps filed with this letter– Attachment 12 Revised and Attachment 13 Revised. Additionally, the revised shapefile sets have been uploaded to the referenced docket file.

Please let me know if any additional information is needed at this time regarding this request.

Sincerely,

/s/ George Freitag
