<b>APPLICATION OF UNDINE TEXAS</b>	<b>§</b>	<b>PUBLIC UTILITY COMMISSION</b>
<b>LLC TO AMEND ITS CERTIFICATE</b>	<b>§</b>	
<b>OF CONVENIENCE AND NECESSITY</b>	<b>§</b>	<b>OF TEXAS</b>
<b>IN JACKSON COUNTY</b>	<b>§</b>	

**COMMISSION STAFF’S SUPPLEMENTAL RECOMMENDATION ON ADMINISTRATIVE COMPLETENESS AND NOTICE AND PROPOSED PROCEDURAL SCHEDULE**

On April 8, 2022, Undine Texas LLC (Undine) filed an application to amend its water Certificate of Convenience and Necessity (CCN) No. 13260 in Jackson County. Undine requests the amendment to add a residential community development consisting of 97 lots. Undine filed supplemental information on April 11 and May 12, 2022.

On May 9, 2022, the administrative law judge (ALJ) filed Order No. 2, establishing a deadline for the Staff (Staff) of the Public Utility Commission of Texas (Commission) to file a supplemental recommendation regarding the administrative completeness of the petition, along with a proposed procedural schedule, if appropriate, by July 11, 2022. Therefore, this pleading is timely filed.

**II. ADMINISTRATIVE COMPLETENESS**

Staff has reviewed the application as supplemented, and as detailed in the attached memorandum from Patricia Garcia of the Infrastructure Division, recommends that the application be deemed administratively complete. Staff’s recommendation on administrative completeness is not a comment on the merits of the application.

**III. NOTICE**

At this time, Staff recommends that Undine proceed with providing public notice to all landowners, neighboring utilities, political subdivisions, and other persons listed in the attached memorandum using the notice form provided by Ms. Garcia. Along with each individual notice, Staff recommends that Undine provide an accurate map delineating the requested service area. Staff further recommends that Undine publish notice of the application for two consecutive weeks in a newspaper of general circulation in Jackson County.

Once notice has been provided, Staff recommends that Undine file proof of notice as described in the attached memorandum, including an affidavit specifying the name and address of every person and entity to whom notice was provided, the date that the notice was provided, and a copy of the map provided with the notice. Undine should also provide a completed publisher's affidavit and a copy of the newspaper tear sheets demonstrating publication. Finally, Staff recommends that Undine use the attached notices and affidavits to meet these requirements.

#### **IV. PROCEDURAL SCHEDULE**

Staff recommends the application be found administratively complete. Staff therefore proposes the following procedural schedule:

<b>Event</b>	<b>Date</b>
Deadline for Undine to file with the Commission signed affidavits that the notice was provided along with a copy of the notice and map sent to the affected parties and published in a newspaper of general circulation	August 25, 2022
Deadline for Staff to file a recommendation on sufficiency of notice	September 5, 2022
Deadline to intervene	30 days after notice is issued

#### **V. CONCLUSION**

For the reasons detailed above, Staff recommends that the application be found administratively complete, that Undine be directed to provide notice as described in Ms. Garcia's attached memorandum, and that the proposed procedural schedule be adopted. Staff respectfully requests the entry of an order consistent with these recommendations.

- 2) Publish notice once each week for two consecutive weeks in a newspaper having general circulation in the county where the requested area is located. Proof in the form of a publisher's affidavit must be filed within 30 days of the publication date. The affidavit must state with specificity each county in which the newspaper is of general circulation. Within 30 days of the date the notice was mailed, Undine must file an affidavit specifying the notice that was provided to every person and entity to whom notice was provided and the date the notice was mailed.
