Review and Processing Team:

Enclosed is the Application to Transfer a Wastewater Permit filed by CSWR-Texas Utility Company, LLC (“CSWR Texas”) to transfer TPDES Permit No. WQ0011589001 from North Orange Water and Sewer, LLC (“North Orange”) to CSWR Texas (“Permit Transfer Application”). The current TPDES Permit No. WQ0011589001 was renewed and issued on June 2, 2021. The permit expires on June 2, 2026.

CSWR Texas filed an Application for Sale, Transfer, or Merger (“STM”) of a Retail Public Utility with the Public Utility Commission of Texas (“PUCT”) and this application is filed in conjunction with that application. CSWR Texas, through that application, seeks the transfer of the assets and certificate of convenience and necessity (“CCN”) of North Orange to CSWR Texas. The attached Permit Transfer Application is necessary to comply with the requirements of Section 22 of the PUCT’s STM application.

CSWR Texas does not seek to affect the transfer until the PUCT approves the Company’s STM application and the acquisition is consummated. In the event the Company does not consummate the transaction, the enclosed Permit Transfer Application will be withdrawn.

Please let me know if you require any additional information.
