## **Memorandum**

**TO:** Forrest Smith and John Harrison, Attorneys  
Legal Division

**FROM:** James Harville, Infrastructure Analyst  
Infrastructure Division

**DATE:** June 29, 2022

**RE:** Docket No. 53514 – *Petition of Sater, LP to Amend Marilee Special Utility District's Certificate of Convenience and Necessity in Collin County by Expedited Release*

---

On April 21, 2022, Sater, LP (Sater) filed a petition for streamlined expedited release from Marilee Special Utility District's (Marilee SUD) water Certificate of Convenience and Necessity (CCN) No. 10150 in Collin County, under Texas Water Code (TWC) § 13.2541(b) and 16 Texas Administrative Code (TAC) § 24.245(h). Sater asserts that the land is at least 25 contiguous acres, is not receiving water service, and is located in Collin County, which is a qualifying county.

Sater provided a warranty deed confirming ownership of the tract of land within Marilee SUD's certificated service area. In addition, Sater submitted a sworn affidavit attesting that the tract of land was not receiving water service from the CCN holder. Marilee SUD requested to intervene.

Based on the mapping review by Hank Journey, Infrastructure Division, it was determined the landowner's total property is approximately 275.5 acres. The tract of land in the petition for streamlined expedited release is approximately 262.8 acres, of which approximately 262.6 acres overlap Marilee SUD (CCN No. 10150) and would be decertified from CCN No. 10150.

Marilee SUD provided a statement advising there are existing meters, waterlines, and other facilities within or near the tract of land, and that the District has the abilities and facilities dedicated to continuing to provide water service to the tract of land. Exhibit B-1<sup>1</sup> does not display a water line or meter serving the requested area.

In accordance with TWC § 13.2541 and 16 TAC § 24.245(h), Sater has met the Commission's requirements to allow for the release of the tract of land from Marilee SUD's CCN No. 10150. Therefore, I recommend approval of the petition. Enclosed is a final map and certificate for Commission approval.
