Re: Docket No. 53515; Petition of Maple View Development, LLC to Amend Orbit Systems, Inc.'s Certificate of Convenience and Necessity in Brazoria County by Expedited Release (Petition)

Dear Judge Ta:

On April 20, 2022, the above-referenced Petition was filed with the Public Utility Commission (PUC). That same date, as stated in the Certificate of Service, a copy of the Petition was served on Orbit Systems, Inc., via certified mail, return receipt requested.

On May 13, 2022, the certified mailing addressed to Orbit Systems, LLC, was "returned unable to forward" to our office. A copy of the returned envelope and green card is attached for filing in this docket as evidence of attempted service. Please advise if there is an alternative address to which this certified copy may be sent, as the address available on the PUC's database appears to no longer be valid.

Additionally, Order No. 1 identifies the Petitioner as "Civitas at Maple View Development, LLC;" however, the Petitioner (and property owner) is "Maple View Development, LLC."

Please contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Emily W. Rogers".
