**ORDER NO. 2  
FINDING APPLICATION ADMINISTRATIVELY INCOMPLETE  
AND ESTABLISHING AN OPPORTUNITY TO CURE**

This Order addresses the sufficiency of the April 28, 2022 application of Amberwood Utility and CSWR-Texas Utility Operating Company LLC for sale, transfer, or merger of facilities and certificate rights in Harris County.

On May 31, 2022, Commission Staff filed a recommendation on administrative completeness.

The administrative law judge (ALJ) finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before June 21, 2022, the applicants must supplement the application to cure the deficiencies as described in the May 31, 2022 memoranda of Ethan Blanchard. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

On or before July 5, 2022, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 7th day of June 2022.
