RE: Docket No. 53550 – Application of Kerr County Water Systems, LLC for a Class D Rate Adjustment

Dear Ms. Espallargas:

On May 3, 2022, Kerr County Water Systems, LLC (Applicant) filed an application for a price index rate adjustment with the Public Utility Commission of Texas (Commission). In order to complete Staff's review of the application, Staff requests corrected information. Specifically, Staff requests the Applicant correct the following:

1. Based on the Base Rate and Block Gallonage Charges provided in the application, it appears that the "Billing Comparison" on Page 1 of the "NOTICE OF APPROVED UTILITY ANNUAL RATE ADJUSTMENT" should be corrected to reflect the following monthly charges:
 - 5,000 G Previous should be \$38.92
 - 5,000 G New should be \$40.87
 - 10,000 G Previous should be \$54.02
 - 10,000 G New should be \$56.72
2. To allow the administrative law judge (ALJ) sufficient time to issue a Notice of Approval, please change the notice to reflect a notice delivery date of June 20, 2022, and the effective date of the approved increase to July 20, 2022.

Please do not implement the rate increase or provide notice of the rate increase to your customers until the Commission indicates that your application has been approved.

In order to ensure timely review of your application, please file the additional information requested above no later than 10 business days. If you have any questions, please contact me at (512) 936-7388 or email me at Forrest.Smith@puc.texas.gov.

Sincerely,

/s/ Forrest Smith
