Re: SOAH Docket No. 473-22-2610; PUCT Docket No. 53551; *Application of El Paso Electric Company to Revise Its Energy Efficiency Cost Recovery Factor and Establish Revised Cost Caps*

Request for Immediate Suspension of Schedule

Dear Judge Siano:

The parties, which include the Staff of the Public Utility Commission, the City of El Paso, Texas Industrial Energy Consumers, and El Paso Electric Company (EPE), have reached an agreement in principle for settlement of this proceeding, subject to client approval. Consequently, they request the suspension of the procedural schedule in order to pursue settlement of this proceeding. EPE proposes to file a status report by October 7, 2022 if a settlement has not been filed by that time.

Sincerely,

Bret J. Slocum
Attorney for El Paso Electric Company
